Dear Merchant,

About Green Supply

Green Supply, Inc. is a Wholesale Distributor located outside of Vandalia, MO who caters to dealers of Sporting goods, Hunting, Law Enforcement, and Camping Supplies. Housed within a 35,000 square foot building, we offer products from 150 manufacturers, including over 18,000 different products. We are dedicated to bringing you friendly service, competitive pricing, and a wide variety of products.

We are a family oriented business located in rural North-Eastern Missouri, owned and operated by Robert and Karol Green along with their children, William and Sandy. We strive to help you with anything you need. We've never claimed to be the biggest, but we sure try our best to be the friendliest distributor in our field.

Our History

In 1967, Green Supply was a small business selling everything from toys and tools to sporting goods. For the first 13 years Green Supply was open to the general public. In the early 80's it was decided that if business were to continue to grow, an aggressive approach would be needed. In 1982 Green Supply ran its first ad in a national trade publication offering products for sale to the trade industry as a wholesaler. From that moment on, the goal was to expand nationally as a wholesale distributor.

Green Supply's business started as a telemarketing team of three, whose responsibilities were to not only take your order but also pull and pack it. Today the sales force alone has grown to over 20 professionals backed by experience and extensive training in the sporting industry. With over 375,000 catalogs circulated annually, Green Supply has grown from a regional supplier to a nationally recognized distributor with a total staff of over 45.

Since we started out in that little building 42 years ago, we have added on to it 4 times to give us plenty of warehouse, shipping and office space.

Services We Offer

In addition to boasting one of the best customer service departments in this industry, Green Supply is one of the few distributors to offer other quality services such as:

- Back ordering
- Manufacturers' Drop Ships to the dealer
